RE: MUR 5408

Dear Mr. Jordan:

I represent Mr. Roger J. Stone, Jr. with regard to the above-referenced matter. Please find enclosed Mr. Stone's executed "Statement of Designation of Counsel".

Mr. Stone's name does not appear anywhere in the complaint, and so we are at a loss as to know how best to respond to it. Your letter asks that Mr. Stone demonstrate that no action should be taken against him, but how can he do so when no allegations refer to him in any way?

Your letter enclosed a document entitled "Description of Preliminary Procedures", which states "within five days of receipt of the complaint, the Commission shall notify all respondents referenced in the complaint...and shall include with such notification a copy of the complaint." Not only isn't Mr. Stone "referenced" in the complaint as a "respondent", he isn't even mentioned in the complaint at all. Based on your stated preliminary procedures, we are surprised not to have received some document in the nature of a complaint containing an allegation against Mr. Stone. Absent the same, we wonder what would be the basis for the committee's exercise of jurisdiction as against Mr. Stone. Perhaps you would care to explain this.

If you would be so kind as to provide us with additional information as to the allegations against Mr. Stone, and indeed, in what context his name came up, then Mr. Stone will be happy to cooperate. We would appreciate copies of all documents that contain allegations against Mr. Stone. Finally, we would be interested in an explanation of the "administrative oversight" that caused a one-year delay between your receipt of the allegations from Mr. Boehm and your letter to Mr. Stone.

Sincerely yours,

PAUL ROLF JENSEN
